Countryside Hospital Loses by 3-1 Margin

The referendum to make the proposed Countryside Hospital a reality may have been dealt a death blow as voters defeated the proposal by an overwhelming 3 to 1 margin. Total votes cast showed 5,330 opposed and 1,769 favoring. In Antioch Township the vote was even more one-sided, 1383 to 301 or nearly 5 to 1.

Hugo C. Zerbe, president of the hospital board and public relations man stated "it's a dark hour for Lake County."

The defeat of the measure can be "traced to many factors," according to Grant Spong, board president. For one thing, "people are fed up with any kind of tax issue," he added.

The basic disagreement of Dr. Calvin Midgley, about the aims and direction of the hospital showed that there was a hard fight destined.

Midgley, the man who can be credited with the inception of the Countryside Hospital, felt that the facility need not be tax-supported, but could remain private. He argued that the hospital should start on a smaller scale and work itself to the "biggest in Lake County, much like Condell Memorial Hospital" of Libertyville.

The former board member entered the debate at the 11th hour and by means of paid advertisements and radio appearances could be credited, to a large degree, with the defeat of the issue.

Much of the controversy surrounding the proposal sprang from the charge that monies for the hospital, given previously on a voluntary basis had been misused.

While the question is still open for discussion, the current board has been willing to show its books for their term of office and according to Zerbe "could account for every penny."

Facts and figures from the groups opposing the hospital clashed with the board's figures, perhaps because of a willingness on their part to take advantage of a basic misunderstanding and lack of communication between the two forces.

Another of the sore spots regarding

the question was the feeling of many, including Midgley, that the hospital could become a "political football." According to the new constitution appointments to the hospital would be made by a public official.

The advertising campaign used by the hospital was charged as being "hysterical" and "misleading." References to a 150 bed nursing home and the statement that this was the "only chance for a hospital" did appear misleading and in the final analysis opened the board to criticism and speculation.

However, the scales were balanced by irresponsible charges, which may have affected many, of corruption and waste of funds, statements based on hearsay and supposition.

In the final analysis, there was reason to question the ethics of the opposition; who tried to use sensational and misleading charges to defeat a proposal that they undoubtedly favored if presented in a different form and the proponents, who in their haste and zeal to do a service for the community may have passed over some of the questionable and misleading advertisements that did have a certain amount of "hysterical" quality to them.

It is academic which of the sides presented the case best. Both groups slightly lost sight of ethical behavior in their crusade to champion the cause to which they were committed.

In essence, the real losers were those people (97%) who did not vote and those who cast their ballot based on misrepresentations and misleading statements.

While the future of the Countryside Hospital is indeed bleak, there is speculation, in some circles, that the proposal could arise at another time, perhaps sooner than most would expect.

It was learned that the principals in the matter, from both sides, may observe a short cooling off period and then meet to iron out their differences in advance of any resurrection.

Thumbs Down On Grass Lake Addition

The proposed addition to the Grass Lake School may have to be scrapped after the district's voters turned out in large numbers to defeat the \$280,000 bond issue by a 244-151 margin.

Six classrooms, science facilities, a library instructional center, an art room, plus office and storage space could have increased the existing structure's size by more than 50%.

The Board of Education had asked for the bond referendum after studying other alternative solutions. It had considered holding class year-round, portable classrooms and renovations to the existing facilities, but had chosen the addition.

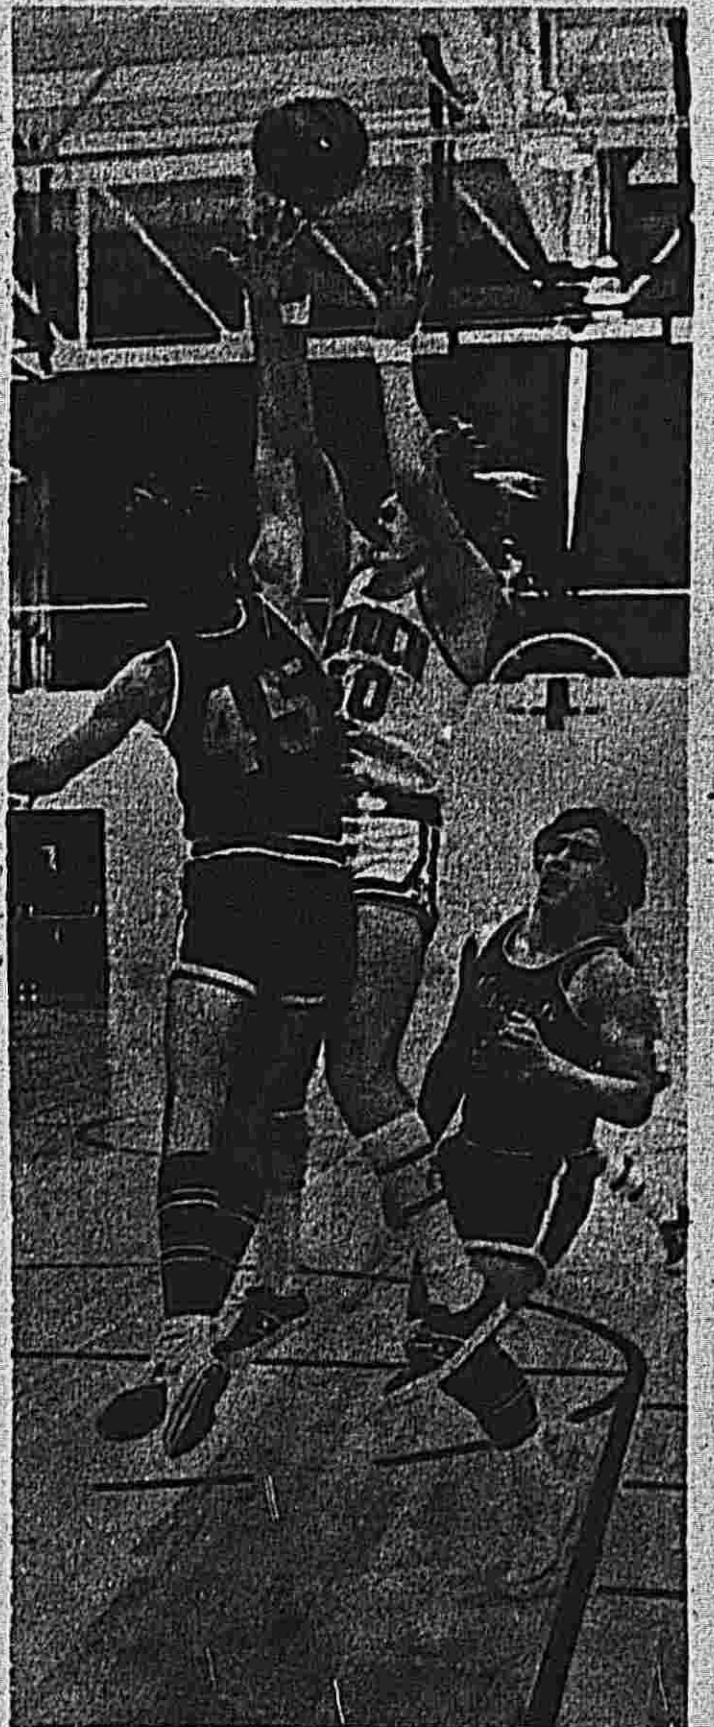

According to William Hart, Grass Lake School Superintendent, the board felt compelled to ask for the addition when facilities reached their full capacity and became overcrowded.

Enrollment at the school has risen from 222 to 330 pupils since 1966. In addition, classrooms which were meant to hold 30 pupils exceed 35 students in many cases and are as high as 39-41 per grade.

Besides the normal increase of 25 to 30 students per year, the board had to consider the increase in enrollment due to proposed land developments and housing developments which would fall within the school district. The proposed Antioch Country Club Development alone, would mean an additional 200 to 300 elementary students for the district, over a ten year period.

In a telephone conversation with Mr. Hart, it was learned that a school board meeting on Tuesday, December 14th will try to determine what the next step for the district is and try to learn some of the factors that led to the bond issue's defeat.

He further stated that "some adjustment to the current services will have to be made." He expressed hope that existing programs would be kept intact, as much as possible.

SEQUOITS DUMP BLUEDEVILS

Stringer Gets Patrol Car Bid

Due to developments late last week, coverage of the December 6th Village Board Meeting was withheld until this time.

Working on a number of important issues, the Village Board office was lit until nearly mid-night, as the board members considered many weighty points.

The board awarded the Lakeland Construction Company of McHenry, the contract to widen Lake Street. The street will be enlarged on the north side between Spafford and St. Peter's streets. Lakeland's sealed bid was lower than those of the other five competing firms.

In the matter of the new squad car, the board's Police Committee recommended that the board accept the bid offered by Earl Stringer Dodge

Sales. Seven bids, in all, were submitted for consideration. The bid by Stringer was the lowest.

The board received a letter of recommendation from the Village Zoning Board advising them to approve the rezoning of the Richmoor Manor, north of Lorenz's Restaurant, from an R1, single family dwelling to an R5, multiple family dwelling.

The matter was taken under consideration when a citizen's group presented their objections to the proposal. These village residents complained that traffic patterns would be adversely affected, their rural type location would be exploited and there would be an increase in taxes.

Chief Jack Davis made an appearance to praise high

school students and the "Ride Along" program. Davis termed it a "large success" and although the first group of volunteers has been completed, he hoped to extend the program.

The board authorized the Village Police to start its annual policy of covering the town's parking meters. The meters will be covered from December 15th to the 27th.

The Village Board will have its next meeting on Wednesday, December 15th at 8:00 P.M.

TEACHERS PROPOSE COOPERATIVE EFFORT

The Antioch News, in an effort to learn the current positions of the high school board and the teachers regarding the salary controversy, was submitted this release from James E. Corrigan, negotiator for the teachers.

In the interests of harmony and good will the Antioch Community High School Education Association has simplified its request regarding the 1971-72 salary contract. We are asking for no increase in the base of the salary schedule itself. All we are asking is that the board honor the existing provisions of that schedule. The current contract calls for the granting of step increases for years of experience. This commitment the board has thus far refused to honor.

Accordingly, the Teachers Association has instituted a grievance to assure that the existing contract be upheld. A legal brief has been sent to the board for their examination. We hope that the board will hear this grievance and that a satisfactory settlement can be achieved.

The teachers have pledged

WEDNESDAY, DECEMBER 15,

St. Stephen Lydia Circle at 8 P.M. at home of Karen White, Christmas Concert - Antioch Upper Grade Center. 7:30 P.M.

THURSDAY, DECEMBER 16,

Grass Lake School Christmas Program. Two programs one at 2:00 p.m. for the students and one at 7:00 p.m. for the public

SUNDAY, DECEMBER 19,

A Gift For The World

At a time when so many problems confront our nation, there is danger of retreating to an old adage: charity begins at home. But there is an even older precept of brotherhood, universally expressed in the Christmas message of goodwill to all mankind. Most Americans know we cannot close our eyes and hearts to those who suffer hunger and hardship, wherever they may be.

It is in this spirit that the current CARE Food Crusade appeal seeks to help feed 28,350,000 people, primarily children, during the coming year. To complete the plan, in 35 countries or areas whose resources are far less than our own, will require \$7,500,000. Host governments give operating support and the U.S. donates farm abundance to cover the remaining costs.

Combined with CARE health and self-help programs, the food is a tool to build future self-sufficiency. From Latin America to Africa and Asia, our gifts will nourish 24,900,000 children fed daily at primary schools, preschool and nutrition centers. Help will also go to disaster victims, to Pakistani refugees, to impoverished villagers in food-for-work development projects.

Every contribution, at a dollar per food package or unit, does a multitude of good. For example: \$5 can give 1,500 children a nourishing bowl of porridge; \$10 serves school lunches to 10 students for 3 months. Yes, charity begins at home - but it cannot end there. You can make the world better for people by mailing a check to: CARE Food Crusade, 220 S. State St., Chicago, Illinois 60604.

Guest Editorial From CARE Food Crusade.

Winter

No calendar is needed to tell us that Winter is just around the corner. As the sun swings lower toward the shortest day of the year and Winter makes its entrance on December 22, thoughts will turn to activities of the new season - winter sports. Christmas Holidays and finally a New Year.

While many people like the placid continuity of eternal summer and follow the sun as it moves south, others find stimulation in the changing seasons. Like the land itself, most men are renewed by change. Nature in her wisdom has arranged for the changing seasons because with change there is growth. Unless there was Winter, there could be no Spring, no renewal. Thus, Winter is as essential to man as to all other life. It prepares the earth for next year's growth. So let's settle in and enjoy the company of Old Man Winter.

"IF YOU DRIVE, DON'T DRINK"

Looking forward to the coming holiday season, Christmas and New Years, we plan to add extra squads on these days in an effort to detect and arrest drunk drivers and traffic violators. Although we concentrate on traffic violators every day of the year, we will not excuse or grant tolerances to the holiday drinker if he or she is detected driving while intoxicated.

We will do our job as far as enforcement is concerned; then it's the responsibility of the Courts to convict the violators. Drivers arrested for driving while under the influence of intoxicating beverages or drugs (for the first offense) can expect to have their drivers license revoked, be sentenced to jail from two days to one year, and/or pay a fine from \$100 to \$1,000, if convicted. The reminder slogan, "If You Drive, Don't Drink" or "If You Drink, Don't Drive", sounds old and repetitious but, nevertheless, is basic fact.

We suggest, not only for the holiday season but every day of the year, that drivers drive defensively and according to road, weather, and traffic conditions. This is one of the best assurances I can think of to prevent accidents and safeguard their own lives.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

NEWS DEADLINE Monday Afternoon

Unless by special permission or by special request.
OR last minute happenings.

Hi Folks:

Just a line to remind you that we are still at home, which all of us have come to know affectionately as **EVERGREEN CORNERS**. All of the boys love to sit on the back patio in the pleasant days of spring, summer and autumn and take in the plant and animal life, particularly observing the change of foliage in the trees and shrubbery and the flight of the changing bird life.

The deciduous plants attain full blossom in summer, change to beautiful reds and browns in the fall and become barren, stark, and ugly in winter. In the meantime, the evergreens maintain their beauty throughout the year, standing out like beacon lights on barren shores and being at their loveliest during the winter season. Perhaps that is why the evergreens (the pines, spruce and arborvitae) are chosen in preference to the deciduous ones (the elms, oaks and maples) to represent the holiday season.

The yuletide season which is celebrated by Christians and others of different faiths is fast approaching and we HAVE the spirit. But there is something missing. We long for the touch of your hand and your well meant embraces.

Only a few of us will be able to come to you, but you can come to us. You can sit or stand with us, on one of our patios, and view the evergreens in all their pristine beauty, because they represent the very **SOUL** of the Holiday Season.

All of you cannot visit us personally, but a timely placed telephone call may be had on "old 42", which is our nick-name for the telephone number (312)689-9742. Our Chief, Mr. Bowers, had the phone recently installed in a central location and made it readily accessible to all, even those in wheel chairs. A phone call is particularly pleasant for those of us whose vision is impaired.

For us who are deaf, or partially so, a holiday card would brighten our spirits immensely.

Whether we live in a world of darkness or a world of silence, we would like to have you contact us in some way if we cannot reach you.

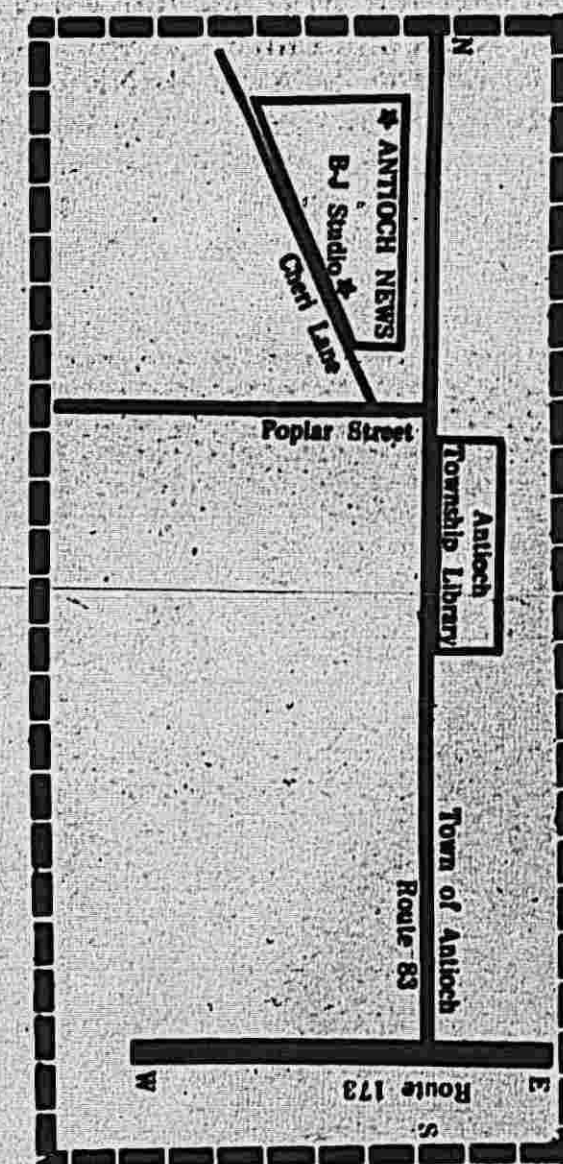

Anyhow, this is to let you know that we of **EVERGREEN CORNERS** wish you a very Merry Christmas and a Happy New Year, whatever be your faith.

Sincerely,
James D. Thompson

PLAN AHEAD for HOLIDAY CALLS to VIETNAM

Illinois Bell today reminded the families and friends of American servicemen in Vietnam to plan ahead for holiday telephone calls between the two countries.

"If you have holiday greetings to exchange by phone with a relative or friend in Vietnam, arrange to have him place the call from there," suggested W. O. Messner, Illinois Bell's manager in Antioch and Round Lake.

Messner said that trying to reach a particular serviceman quickly by calling from the United States is close to impossible. Servicemen are likely to be on duty or stationed in remote areas where they're extremely difficult to locate, he explained.

To minimize these difficulties, according to Messner, special arrangements have been made again this year to permit servicemen to call home at the times most convenient for them. The USO, the Military, the Bell System and communications people in South Vietnam, Hong Kong and Guam will be working together to simplify the calling and permit the maximum number of men to talk.

Last year, more than 1,000 calls per day throughout the Christmas season were completed from Vietnam for off-duty servicemen calling home.

Many servicemen call from the USO center in downtown Saigon, but calls also can be placed from a number of

hospitals and service centers at bases elsewhere in the country.

Messner also advised the families and friends of Americans stationed in other Southeast Asian countries to make arrangements for the servicemen to originate their holiday telephone calls, since they too often are difficult to locate.

Rates on telephone calls at all hours between the United States and Vietnam are \$9 for a three minute station-to-station call and \$12 for a three-minute person-to-person call. Servicemen can call collect so that the messages can be paid for at home.

Vietnam is 14 hours ahead of Central Standard Time.

BEWARE UNSOLICITED MERCHANDISE

Illinois Attorney General William J. Scott today warned Illinois residents that a common holiday fraud involves sending unsolicited merchandise to an individual, and later billing him for payment.

Scott said that under Illinois law, the individual may refuse to accept an unsolicited package, or he may consider the merchandise a gift and use it or dispose of it as he wishes. He is not obligated to pay for unsolicited merchandise, nor is he obligated to return it to the sender, the Attorney General explained.

"Unsolicited" merchandise is legally defined in Illinois as merchandise delivered to a person who has not ordered, solicited or agreed to purchase it, Scott said. Misdirected goods (delivered to someone other than the addressee) are not included in this category, and the recipient should return them to the sender, Scott said.

Attorney General Scott urged citizens with questions

RAY JENSSEN has been termed a "very industrious and hard-working man" and an "outstanding member of the community". To all those who have known and done business with the pleasant, outgoing owner of GIBBS AND JENSSENS CAROUSEL, this is an apt description.

Ray has been a merchant in the area for over a quarter of a century and has used these years to gain the experience and know-how that has made him one of Antioch's premier businessmen.

He ran a small grocery and miscellaneous store in Deep Lake for two years, prior to his enlistment in the Navy in 1942.

While in the Navy, he was a store keeper on the communications ship, U. S. S. Biscayne and served in the same capacity at several land bases.

After his discharge, Ray returned to Antioch and worked at the National Store until it was burned out. When he was offered the choice of working in Barrington or another distant location, he calmly walked to the A & P store and was taken on as the assistant manager.

While Ray's traveling show was moving from location to location, a lovely lady caught sight of him and formed the usual diabolical female plan. Elizabeth and Ray were married in 1947. Ray's journey now had a partner.

After a stay in Woodstock, the Jenssens' returned to Antioch with the cast enlarged to three, their daughter Diane.

or complaints in any area of consumerism to contact his Consumer Fraud and Protection Division. In Chicago, the office is located at 134 N. LaSalle St., Room 204; phone 312/793-3580; in Springfield, at 500 South Second Street, phone 217/544-4871.

Ray Jensen

In 1953 the Jenssens added a partner, not from the family and created Gibbs and Jenssens Sporting Goods. Ray's knowledge of the business and easy going friendly manner made this store an instant success and in 1967, having taken over the business himself, he opened up the CAROUSEL SHOP.

Community service and dedication are not strangers to this hard-working community leader. He is on the board of directors of the First National Bank and also of the Hastings Y.M.C.A. Camp. As an active member of the local Lions Club, he has been past chairman of the annual "Candy Day" and in January will be installed the new first vice-president.

Ray and his family find a

great deal of pleasure in traveling. This summer they went to Europe for the second time and found it a rewarding experience, as well as a pleasant trip.

Ray enjoys sports as a hobby. When time permits, he can be seen along a lazy creek, on the links or trying to punish the pins.

Growth is the keyword for the next several years, according to Ray. He sees the community enlarging in every area and thinks the businessmen of the town should be ready for it. He should be a very reputable source, as the man who began his business with a small shop and has come to be a successful businessman, community leader and trusted friend.

18TH ANNUAL CHRISTMAS CONCERT

The Antioch Grade School Junior Band and the Senior Band under the direction of Mr. George Olisar presented it's 18th annual Christmas concert in the new Upper Grade Center last Sunday afternoon. It was a first for the new upper grade school, but only one in a long line of fine programs presented by Mr. Olisar and his well trained students. The concerts were attended by about 600 friends and parents who were treated to an enjoyable afternoon of band music.

Racing Awards Dance Held

Lake County Racing which presents the twice weekly stock car races at the Waukegan speedway held its annual trophy and awards dance October 2, at the Angels Nightclub near Antioch Illinois.

Another large turnout filled the club to capacity as the top 20 late model drivers and the top 15 hobby pilots each received trophies and their cash share of the second annual point fund.

Bob May of Gurnee was the top late model driver as he won his first title after just four short years of competition. May received a bonus of over \$1,200.00 from the point fund after he won six features and set fast time on 25 nights to garner the title.

Tom Reuss of Wildwood recorded nine feature wins to top his second hobby stock crown. Reuss, who topped this class in 1969, announced he planned to step into late model competition in 1972. Reuss driving his 1957 "Snoopy" Chevy was voted the "Most Popular Hobby Driver" by the fans during the season.

Once again Jim Cossman of Waukegan had a perfect attendance record. May was the only other in the late models and he finished second in points. Cossman finished in the top four in the feature race 28 times and this consistency paid off as he beat Carl Major of Chicago by a margin of 1435 points to 1427.

Cossman also received a special trophy award from

promoter Gordon Sill as Jim has not missed a late model race date in the nine seasons Sill has run the Waukegan plant. Cossman was track Champion in 1964, '66, '67 and '68 when the track was clay surfaced.

Major was the big winner of the year as he carried the checkered flag after 37 races including 11 features. However Major failed to finish a number of features early in the year and he also missed the July 18th races after his car had demolished the starter's stand the night previous.

Tom Jones of Northbrook finished fourth in the late model points; however he might have won the title if he'd run the entire season. Jones started a month late and then missed several races due to an injury received at another track. Jones, who won 10 features, was voted the "Most Popular Late Model Driver."

Gary Zobel of Mundelein was tagged "Rookie of the Year" as he finished 8th in his small block Chevelle. Lou Clavey of Deerfield was voted "Most Improved Driver" after his third full year of competition. Pete Brewer of Waukegan received the "Best Looking Late Model Car" trophy as he maintained the car creditably throughout the year although he was not one of the top money winners.

Cheryl Arndt of Milwaukee, Waukegan's answer to Women's Lib, finished second in the hobby points and was the "Most Improved Driver" in that division. She owns the car

Jim Cossman drove to second in the late model points and she intends to drive that in the late model wars next year. Joe Horn of Zion won "Rookie of the Year" honors.

John McKarns of Elmhurst, the tracks publicity director for seven years, emceed the affair.

1972 season at Waukegan is slated to get underway Saturday night April 8th.

VFW TAKES CARE OF CLC'S NEED FOR FLAGS

The Lake County Council of VFW Posts voted recently to take care of any needs the College of Lake County has for American flags.

Kenneth Wood, Adjutant of Lake County VFW Council, recalled that the first flag to fly over the campus was provided by the Antioch VFW Post. "Up to now, a few VFW Posts in Lake County have responded and taken care of the college's needs for pole, classroom, and meeting area flags. It is the privilege of the Highland Park Post 4737, Alden Fell, Commander, to provide the most recent flag replacement for the flagpole on your interim campus," stated wood. "The official action taken by the Lake County Council now assures the college that its needs will be taken care of and that the posts which make up the council will take turns in supplying the college with its flag needs."

The Lake County VFW Council presently includes ten posts and will increase to eleven with the entry of a Grayslake post in early 1972.

Here is the Champagne Punch recipe that we promised for this week, and comes from the kitchen of Ruth Bemis.

Champagne Punch

2 cups lemon juice	3 cups sugar
1 fresh pineapple cubed	1½ quarts Soda Water
1 quart chilled Sauterne Wine	1 quart Strawberries-sliced
2 magnums Champagne	

Dissolve sugar in lemon juice. Add pineapple, soda and sauterne. Chill. Just before serving add strawberries and champagne. Serve over a festive block of ice.

Fresh lemons, limes, strawberries and oranges sliced thin and placed in water in a yellow mold make a lovely, festive and tasty ice block for your Champagne Punch.

A VERY SPECIAL OFFER

A dear little Antioch lady who is busy all the time has contacted us with a very special offer.

Interested in making HOME MADE BREAD — or HOME MADE SOAP? She will come

to your home and help you with your first batch.

Anyone interested - Please contact us at 141 Cheri Lane or call us, 395-5554. We will get you in-touch with your "kitchen Angel".

Grass Lake Presents "Santa's Christmas"

On Thursday, December 16, 1971 the annual Christmas Program will be presented at the Grass Lake School under the direction of Mrs. Jean Hubert and Mrs. Mary Jo Maupin. There will be two

performances, one at 2:00 p.m. for the student body and one at 7:00 p.m. for the public. This years program is entitled "Santa's Christmas" and will include grades K - 4 with choral selections from the upper grade chorus.

Three Brownies who completed the standard 12 hour first-aid course are - Betsy Doty (L) who is bandaging the finger of Jill Harland and Debbie Miles checks in the book to see if she is doing everything correctly.

Brownies Complete First Aid Course

Channel Lake Brownie Troop 177 just completed the standard 12 hour first aid course - geared to Brownie level.

Training covered mouth to mouth resuscitation, poisons, wounds, fractures, burns, shock, fainting and emergencies in the home and car.

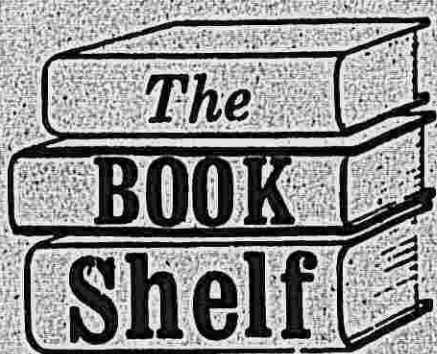

This is the first time in Lake County that Brownies have taken this course. First Aid instructor Mrs. Marion Prange felt the girls had grasped the

whole idea of first aid.

Brownies who completed the course are: Betsy Doty, Beverly Givens, Lorna Whitton, Jill Harland, Nancy Harland, Wendy Conklin, Kim Conklin, Julie Rey, Julie Morris, Lori Seul, Lauri, Hucker, Brenda Harris, Debbie Miles, Kathy Bailey, Rebecca Otterson, Renee Quirk. At the end of training each girl was presented a card saying that she completed the course.

SUNDAY SCHOOL

CHILDREN TO

LEAD PROGRAM

Children of the Sunday School will lead the 10 A.M. December 19 family worship service at Christ Lutheran Church, Paddock Lake. During the festive Advent service, the congregation's younger members will set the stage in song and spoken word for the joy and peace of Christmas. Steve Voltz is coordinator for

the service; Leland Kofoed, superintendent of the congregation's Sunday School. A coffee hour follows the worship.

The congregation's 8 A.M. December 19 service will be a more traditional Advent worship.

A 7:30 P.M. candlelight service is also planned for Christmas Eve, December 24, at the church. In addition to singing some of the favorite Christmas hymns and hearing the reading of the Christmas Gospel, a filmstrip, "The Light of Christmas," will be shown.

All services are open to the public, and guests are most welcome.

LIFE UNDERWRITERS TO HOLD ANNUAL CHRISTMAS LUNCH

The annual Christmas lunch of the Lake County Life Underwriters will be held at noon on Friday, December 17, 1971, at the Holiday Inn, Gurnee, Illinois.

This annual event, one of the highlights of the year for the Underwriters, is mainly a

social get-together for its members. A brief report session will be held, with Committee Chairmen reporting the latest activities of the Association.

All members and prospective new members are cordially invited to attend.

THANKS

I wish to express my sincere thanks and appreciation to all the people of Antioch for their concern and thoughtfulness. Father Alfred Henderson will be greatly missed. On behalf of St. Peter's parish I extend my heartfelt thanks to everyone.
Father Eugene Keusal
12/15/71

New Deductions

A little pink bundle arrived to Mr. and Mrs. Alain J. VanOverbeke, Ingleside, Illinois on November 19, 1971. Stacey Suzanne tipped the scales at 6lbs. 15oz. and was 19 1/4 inches long.

Maternal grandparents are Mr. and Mrs. Manuel Contreras of Elk Grove Village, Illinois and paternal grandparents are Mr. and Mrs. Jerome VanOverbeke of Wheeling, Illinois.

Women of the Moose

The Social Service Committee, with Chairman June Lintner, presented a skit called, "Twas the Night Before Christmas," as entertainment on Thursday, December 2. The skit was very entertaining.

Two candidates were enrolled, Mary Sackman sponsored by Senior Regent Judy Page, and Mary Lou Schletty sponsored by June Lintner. A chapter pin was also presented to Lottie Vejvoda for attending three consecutive meetings.

The next meeting will be a business meeting on Thursday, December 16, at 8:00 P.M.

Women's Club Holds Christmas Program

The regular meeting of the Antioch Woman's Club was held on December 6th. A pot luck luncheon was served with Mrs. Elroy Anderson as chairman. Later a brief business meeting was held.

Dr. Abderholden answered questions about the Countryside Community Hospital referendum to be held on Saturday, Dec. 11th.

Welcomed as new members of Woman's Club were: Mrs. William Herbst, Mrs. Gerald Risch, Mrs. John Doyle and Mrs. John Clemens.

It was announced that plans are being made for a Woman's Club card party to be given in March. More information will be available later.

Members were reminded that the next regular meeting will be on January 17.

Contributions were made by members to the "petty cash" fund for veterans at Downey. This was done instead of the regular club gift exchange. Many dozens of cookies were brought to be taken over for the veterans' Christmas.

Mrs. Donald Mentone, program chairman, introduced the program, "Christmas Customs". Mrs. Charles Watson read excerpts from the Bible. Mrs. Norman Jedele read selections explaining the origins of many of our Christmas traditions and customs. Mrs. LaVerne Woods

sang Christmas songs and carols. Mrs. Donald Cobb was the accompanist.

CHRISTMAS TRADITIONS

The use of Christmas greens originated with the pagans - a superstition of the bringing of good luck. The ringing of bells originally was to call people to worship - sometimes in sadness, sometimes in joy. The star appeared in the sky 12 days after the birth of Christ and guided the Wise Men. The manger scene told the story of the birth to people, most of whom had no books, nor could they read. St. Francis dramatized this story using many people. People gather even today in Shepherds Field in Bethlehem to watch for the star. Holly is a symbol of the crucifixion - the sharp points of the leaves represent the crown of thorns. Wreaths are made in a circle to symbolize the unity of God. Supposedly Martin Luther cut and brought home the first Christmas tree. Candles represent the light to guide the Christ Child on His way.

The audience enjoyed being a part of the program by singing appropriate carols at various times during the program.

Gifts from the State Bank and the First National Bank were at the place of each person as she sat down for luncheon.

The meeting closed with everyone singing "Joy to the World."

A Christmas "THANK YOU"
TO ALL OUR MANY FRIENDS WHO SO GENEROUSLY CONTRIBUTED TO OUR "TOYS FOR TOTS" PROJECT OUR SINCERE THANKS, AND A VERY MERRY CHRISTMAS TO ALL.

Funeral arrangements were made at the Strang Funeral Home, with interment in Holy Name Cemetery at Wilmot, Wis.

MR. GEORGE W. MERKT-66 Yrs. old of Salem, Wis. passed away Monday December 6th at St. Catherine's Hospital in Kenosha. He was born Nov. 5, 1905 in Hartford, Wis. the son of the late Frederick and Anne Merkt. He had resided in Salem since 1937. He was a member of Holy Name Church at Wilmot, and the Wisconsin Association of food dealers. He and his wife are the sole owners of Merkt Cheese Company retail store in Salem, and the Merkt Cheese Company Manufacturing Plant at Bristol, Wisconsin. He married Carol Riggs on Oct. 29, 1937 in Wilmot Wis.

He is survived by his wife Carol - 3 sisters Mrs. Olive B. King (New Berlin, Wis.)-Mrs. Collette (Gilbert) Stellmacher (Iron Ridge, Wis.)-Mrs. Dorothy (Joseph) Miller (New Berlin, Wis.) - 5 brothers - Gervase Merkt (Thiensville, Wis.) Joseph Merkt (Milwaukee, Wis.) Norbert Merkt (Milwaukee Wis.) Frederick Merkt (Muskego, Wis.) and Herbert Merkt (New Berlin, Wis.).

He was preceded in death by a brother Edward.

A funeral mass was held at 11 a.m. Thursday at Holy Name Church in Wilmot. Rev. Mark Lyons officiated. Interment was in Salem Mound Cemetery. Remembrances may be given to the Dr. Debakey Medical Foundation at Houston, Texas.

Christian Science Churches

What is the source of all that is good in nature and man? This is a question to be considered at Christian Science churches Sunday in a Bible Lesson-Sermon entitled "Is the Universe, Including Man, Evolved by Atomic Force?"

"The earth is full of the goodness of the Lord," a Scriptural passage to be read from Psalms states.

Opening the commentary from Science and Health with Key to the Scriptures by Mary Baker Eddy is this citation: "In the Saxon and twenty other tongues 'good' is the term for God. The Scriptures declare all that He made to be good, like Himself, - good in Principle and in idea. Therefore the spiritual universe is good, and reflects God as He is."

Everyone is welcome at First Church of Christ, Scientist, BEACON HILL - Rte 173 & Harden, Antioch, Illinois. Services begin at 11 A.M.

THE **TRUTH**
THAT HEALS

EDISON WINS GOLD MEDAL FOR COMMERCIAL

Some viewers consider television commercials regularly scheduled snack breaks to sandwich in during their favorite shows.

Not so the judges of the Atlanta International Film Festival who stayed glued to their seats to pick the best commercials from over 100 entries.

Awarded the gold medal for the best commercial longer than a minute, was Commonwealth Edison Company. The Edison color commercial produced by Leo Burnett Company, Inc., is based on the characters of

Charles Dickens. It will introduce a special Yule program entitled Pickwick that will be seen at 6:00 P.M. Christmas Day on Channel 5.

Edison also received another medal for its specially produced introduction to Screen News Digest. The award-winning Screen News Digest film series features current news events. During the 1971-72 academic year the series is being presented to over 300,000 elementary and high school students in Chicago and the suburbs through the courtesy of Commonwealth Edison.

CLC Seeks Part-time or Full-time Employment for Students

National authorities, including the President, have expressed the view that no students should be denied a college education due to lack of funds or because of limited financial resources. The College of Lake County is committed to this position and increased amounts of federal, state, and local funds made it possible for the college to assist students to a greater degree than ever before.

Harrison Williams, Director of Financial Aids, released figures recently which indicate that the college expended during the fall 1971, semester, \$98,909 in grants, loans, scholarships, work-study programs, and student

employment. "If the present rate of applications continues, the college can expect a 20 percent increase in financial assistance for the second semester," stated the director.

Over 700 students were awarded some form of financial assistance during the last semester. The Illinois Veteran's Scholarship program aided the largest number of students (286) and the Illinois State Scholarship Commission assisted 156 students. An additional 155 were helped through federal programs.

Williams pointed out, "Financial aid is not a big give-away program. Each award is based upon a careful analysis of individual student financial need and self-help abilities. Student employment is a significant means of financial assistance and the college has provided work opportunities for a large number of students."

The college, therefore, is

interested in securing part-time or full-time employment for students. Employees who are interested in providing job opportunities for presently enrolled students or for students who have graduated from specific programs or curriculums can contact Mr. Williams at the college.

In addition to the federal and state monies, funds provided by a wide range of local organizations, clubs, and agencies made it possible for the college to assist 145 students in their academic pursuits. Some of the local organizations which provided scholarships for students were: Amvets (Charles R. Dexter), Esper Peterson Foundation, Abbot Foundation, Gagewood Lions Club, Lake County Federation of Women's Club, Mundelein Rotary Club, Tenth District of Illinois Federation Women's Club, District No. 16 Nursing Association, North Chicago Community Scholarship Committee, Illinois Elks Association, North Chicago Community Scholarship Committee, Illinois Elks Association, Lake Forest Service League, North Chicago Women's Club, Condell Memorial Auxiliary and the Rippburger Scholarship.

"The college takes this opportunity to express its appreciation to the many clubs and organizations who have provided scholarship monies for worthy students. We extend an invitation to any organization interested in sponsoring a student or groups of students through a scholarship program to contact the Financial Aids Director at the College of Lake County, 223-8193, extension 14," concluded Williams.

CHEMISTRY CAREER SEMINAR

Students from Antioch
schools have been invited to
attend the Chemistry Career
Seminar to be sponsored by
the Chemical Industries
Council-Midwest, on Friday,
January 7, 1972 at the
Pick-Congress Hotel, Chicago.

The Seminar will feature
person-to-person counseling by
men and women from chemical
and pharmaceutical companies
in the Chicago area. The men
will outline the requirements
for a career in chemistry, or a
career in allied fields where a
chemical background would be
helpful, and will cover all
major career areas. Representatives from Chicago
area colleges and universities
will counsel students on
educational requirements.

Over 600 students from
Chicago area public, private
and parochial schools are
expected to attend the
Seminar. Students may register
from 11:00 a.m. to 3:30 p.m.

in the Francis I Room of the
hotel.

Students will register, then
attend an orientation session
that will include a briefing on
what they will see and do
during the day, and a short
demonstration on chemical
techniques. The Seminar will
feature displays and
demonstrations from member
companies. Free educational
literature from companies and
educational institutions will
also be available to the
students.

In announcing the seminar,
Mr. George Barrett, Films
Packaging Division of Union
Carbide Corporation, and CIC
Seminar Chairman said that the
seminar was one of the most
important educational
activities on the Council's
program since it is the only
event held in Chicago designed
expressly to offer students an
opportunity to discuss job
opportunities in chemistry and
allied fields with the young
men and young women now
working in the industry.

The Chemical Industries
Council-Midwest is composed
of 32 leading chemical and
pharmaceutical companies in
the area. Its prime purpose is
to provide educational
information and assistance to
students and teachers. The
Council works in cooperation
with the national
Manufacturing Chemists'
Association.

In a flick of the eyepatch, Hathaway un-sports the knit.

The masquerade is over. Sport-knit fabrics will no longer parade as dress-knit shirtings. Here, at last, is a knit fabric made for dress shirts: an 80% Dacron®/20% cotton, and only Hathaway has it. If you wear this shirt without a tie, it will look like a dress shirt without a tie. Because it is a dress shirt, collar to cuff. But, ahhh, the comfort: it lives, it breathes, it expands, it contracts. If any other dress shirt fit like this it would be uncomfortable. And, yes, it's machine-washable. Yes, it's machine-dryable. No, it needs no ironing. We call it The Bachelor Shirt; and, no, that needs no explanation. In the usual neck sizes and sleeve lengths, of course.

Sophomores Win Two

Antioch's sophomore basketball team remained undefeated in conference play by winning twice last weekend. On Friday, Antioch downed Round Lake 57-48 and then up ended Warren 45-42 in an exciting overtime contest Saturday. The two victories give Antioch a 3-0 conference record and a 4-4 overall record.

At Round Lake the young Sequoits did not display good basketball, but they got the job done. They shot a good 49% from the field but a poor 32% from the freethrow line. Antioch also led in rebounds 37 to 29. Larry Smith was a standout with 26 points, many scored on easy layups off the fast break. Mike Gutowski added eleven points.

On Saturday the Sequoits showed how they could play. Working well as a team, Antioch held Warren to only four baskets the entire first half. The score at halftime was Antioch 19, Warren 13. Mike Gutowski had 12 of the teams 19 points. Warren came

storming back the second half and even took the lead a few times but Antioch never quit. Jim White and Larry Smith converted key free-throws to force the game into overtime. In the extra period John Janosko hit a key basket and Gutowski and Rick Sedar made two and three free-throws respectively to ice the victory. Jim White led the Antioch rebounders with eight.

Coach Norm Hahn had nothing but praise for his charges. "I thought the fellows did a superb job, especially the first half. Warren is always our toughest opponent but the guys just went out there to win." Coach Hahn had special praise for Gutowski. "Mike really came through tonight. He kept us in the game the first half, hustled on defense, and brought the ball up the floor. I think he's finally coming." Gutowski lead Antioch scoring with 16 points and Smith chipped in with 12.

Antioch shot a sizzling 56% from the field.

It's made the toughest climb any snowmobile could hope to make. 12,500 feet up a peak in the Rocky Mountains.

We've learned a lot in the Rockies. And we put what we've learned into every machine we build.

Things like Chaparral's totally responsive steering. Wide-track 28" ski stance for precise tracking. Mountain-tested suspension including 15 independent bogie wheels, and 8 heavy-duty torsion springs.

Machines that can climb 12,500 feet up the Rockies don't just happen. It takes a special kind of engineering. Chaparral engineering.

WILMOT SEARCHING FOR ALUMNI BASKETBALL PLAYERS

All Wilmot alumni who played basketball while in high school and are interested in an alumni tournament are asked to contact Mr. Buccellotti immediately. Plans have been made for the First Annual Alumni Basketball Tournament to be held Monday, Tuesday and Wednesday, Dec. 27-29, at

7 P.M. each night in the high school gym. This tournament has been planned to help the Lettermen's Club establish a fund to put up a press box on the football field. Donations will be accepted in any amount. Officials for the games will be the coaching staff of the high school.

Sports

Freshman Wrestlers Undefeated

The Antioch High School freshmen wrestlers remained undefeated with two big victories this past weekend over Round Lake and Chicago Lakeview. The wins brought the freshmen record to 5 wins, 0 losses, and 1 tie.

Leading the freshmen Sequoit attack so far this season is Joe Riedlinger 6-0, Jim January 6-0, Rich Coari 6-0, David Kisner 4-1, Terry Lear 4-1-1, Jim Morgan 4-1, Dale Eastman 4-1-1, and Mike Weber 4-1. Dennis Thain is 5-0-1 and is currently wrestling at the 105 pound weight class for the Antioch Sophomore team.

The freshmen wrestlers meet McHenry on Saturday, December 18 at 1:00 P.M. in Antioch. On Monday, December 20 the freshmen entertain Holy Cross at 4:30 P.M. in Antioch. On Wednesday, December 22 the freshmen Sequoits travel to Grayslake and become the first freshmen wrestling team to ever represent Antioch High School in a Christmas Tournament. The tournament runs all day and will have eight schools competing for first place honors.

FALCONS FLY PAST DEMONS

The 1971-72 Westosha Conference Basketball season got into full swing last Thursday December 2, 1971. The Junior Falcons first opponent proved to be a rough test for the defending champion Salem Junior Falcons.

Opening on the road at Bristol, Salem had their hands full with the tall, and much improved Bristol Demons. Throughout the first half spectators were treated to a rugged see-saw battle. Opening the second half they found that nothing had changed, but in the fourth quarter Salem took a 10 point lead that proved to be too much for the fired up Bristol team. The final score wound up, Salem 38 and Bristol 25.

Coach Jensen had much praise for Salem's unselfish

team play which showed throughout the contest as all five starters scored. He felt that the defense was the key and singled out Ken Keisler and Terry Murphy for a fine job. Also singled out was Dale LaMeer for his work in the rebounding department.

The Falcons next title defense will be against the Comets of Riverview on Tuesday, Dec. 7, 1971 at Salem. Game time is about 4:15 P.M.

SALEM TOURNAMENT

For the third year in a row Salem Consolidated Grade School will host its Holiday Basketball Tournament. Eight teams will compete. The first game between Lake Villa and Salem will be on December 16th at 4:00 P.M.

Falcons Stop Comets

Salem's Junior Falcons continued their winning ways by whipping Riverview 52-15. It was the second straight win for the Falcons in as many games. Again it was the Falcons unselfish play that turned back the Comets. As in their last contest, all five starters scored with Ken Keisler leading the way with 19 points. Salem's B team also remains unbeaten in its two starts.

The Falcons next game will

pit the Paris Panthers against the Falcons at Salem on Tuesday December 14, 1971.

A reminder that for the third year in a row Salem Grade School will again be host to a Holiday Tournament to be held on December 16 and 18, 1971. The eight teams invited are: Bristol, Paris, Riverview, Burlington St. Mary's, Yorkville, Prince of Peace and Salem. We invite you, the public, to attend and support this tournament.

Pat Michalak comes down after starting the ball through the hoop in Saturday's big win over Warren.

Sequoits Deal Double Defeat To Conference Rivals

"If someone had told me a month ago that we'd be 6 and 2, plus 3 and 0 in the conference, at this point in the season," said coach Roger Andrews, "I'd question his sanity".

But there may be a number of cage oracles heading for the shrink as the lowly-touted Sequoits continue to win.

Made Believers

Antioch made believers of two coaches over the weekend as they beat a scrappy Round Lake team 62-48 on Friday and humbled conference favorite Warren on Saturday 71-45.

In the first contest at Round Lake, the Sequoits mastered a Panther team that will give opposing coaches fits before the season ends.

The Panthers have a very competent player in Bill Swieton, but not much else. To make up for this they play a close determined bump and push type defense designed to rattle opposing players.

Antioch and Round Lake played a sloppy game with the Sequoits leading by as many as 9, but ahead by only a bucket at the half.

Adjustments at Half

Coach Roger Andrews made adjustments to the Panther defense during the half telling the team to settle down and play their usual game and not

let the close play "affect them mentally".

The strategy worked as the Sequoits came out for the second half determined not to be intimidated. They scored the half's first points on a tip-in by Jeff Williams and doggedly increased their lead over a poor-shooting Round Lake squad. The Panthers hit on only 32% of their shots.

Tim Mieuire and Pat Michalak turned in their usual creditable performances; scoring 18 and 12 points. Fred Popp had a big night, hitting on 6 of 10 from the floor and adding a pair of free throws for 14 points. Jeff Williams again got into foul trouble, leaving mid-way in the fourth quarter. However, he swished three tries and grabbed 15 rebounds.

Mark Andrews and Glen Amundsen appear to be getting more accustomed to handling the ball and are shedding the early season jitters.

Tell Coming on.

Ken Tell, used only sparingly because of a fall knee injury, showed definite signs of improvement. He made his only shot from the floor and took down 5 rebounds during spot duty.

In the Saturday game, the close battle that was predicted vanished as the Sequoits ran off 18 straight points and coasted to a surprisingly easy

71-45 pasting of Warren.

It was close for a time with the teams trading baskets. But at 6:44 of the second quarter the Blue Devils caught a chill from the floor and were held to a single bucket until 3:54 of the third period.

Meanwhile, the Sequoits held the hot hand. They hit on everything they threw up and crushed a Warren team that coach Andrews termed, "much better than they showed us".

The torrid flurry drew Antioch away to a 40-17 lead from which the Blue Devils couldn't recover. The cap to the spurt was a shot by Michalak, taken from near Rte 178, that swished at the buzzer.

"Super Ball Game"

From Andrew's viewpoint it was "just a super ball game". He called it a true "team victory" and had praise for all his players.

Enjoying the large lead, he was able to get the entire team in to see some action.

I watched closely, but still didn't see Gordy Sillanoff's feet touch the slats as he came downcourt after scoring a bucket.

The Sequoits host a tall Lake Zurich team on Friday before traveling to McHenry for a non-conference game on Saturday. As always, the sophomores will lead the way at 6:45.
